Indigenous Peoples Day

(We will recognize this special day on the 23)

June 21 is National Indigenous Peoples Day. This is a day for all Canadians to recognize and celebrate the unique heritage, diverse cultures and outstanding contributions of First Nations, Inuit and Métis peoples. The Canadian Constitution recognizes these three groups as Aboriginal peoples, also known as Indigenous peoples.

Although these groups share many similarities, they each have their own distinct heritage, language, cultural practices and spiritual beliefs.

In cooperation with Indigenous organizations, the Government of Canada chose June 21, the summer solstice, for National Aboriginal Day, now known as National Indigenous Peoples Day.

For generations, many Indigenous peoples and communities have celebrated their culture and heritage on or near this day due to the significance of the summer solstice as the longest day of the year.

Parent/ Teacher Interviews

Just a reminder Little Scholars is hosting parent/ teacher interviews between June 1st and 12th. The schedule is as follows:

Infant: June 2nd

Toddler A: June 1st

Preschool 1: June 5th & 6th

Preschool 2: June 7th & 8th

Toddler B: June 9th

Toddler C: June 12th

If you need a reminder of your chosen timeslot or you would like to try to change your timeslot, please see Jen as soon as possible.

Picnic Day

International Picnic Day is June 19th so we have decided to have a picnic on June 22nd as the 19th is packed full! Weather permitting, we will have afternoon snack outdoors and enjoy the nice summer weather.

Picture Days

Little Scholars will be hosting picture days on June 19th and 20th from 9am-12pm. Each child will get the chance for individual photos, sibling photos, grad photos (if they are going to JK this year) and class photos. Infant and Toddler pictures will be taken on Monday and Preschool pictures will be taken on Tuesday. If your child is part time, please have them ready for Monday or Tuesday regardless of what class they are in.

After photos are completed, families will be provided with proofs and the option to purchase various photo packages from the selections offered.

For these days to run smoothly and efficiently, please ensure that you try to have your children at the center by **9 AM**.
