### Parent's Day

July 28<sup>th</sup> is recognized as Parent's Day! Like Mother's Day or Father's Day, this day is a great opportunity to spend time together as a family to show appreciation to the parents and parent figures in your family!

Some Ideas to Celebrate:

1. Cook dinner together as a family! Or order in and watch a movie together to avoid the dishes!
2. Have a family spa day! Transform the living room into a relaxing destination and share some face masks and nail care!
3. Go exploring! Spend some quality time in nature together to celebrate your family!

Share how you celebrated on your class Facebook group!

July 29<sup>th</sup> is our Water Play Day! On this day, Little Scholars will be providing water for the children to play with.

Please make sure that your child/ren have bathing suits or extra clothes that are appropriate for water play and a towel (Weather permitted)

### Social Media

Make sure to follow us on Instagram and Facebook! Also, be sure to check out your child's private class group for daily updates on the class. The private groups are a great way for us to keep you updated with pictures and statuses, so make sure to keep an eye out!

## Loose Parts Drive!

### What are loose parts?

Loose parts are natural and synthetic materials that entice children of all abilities to explore and engage sustainably, as they are often free, recycled and repurposed.

We can find loose parts in nature, second-hand shops, garage sales, and discount stores BUT we can also find loose parts in our own homes and that's why we need you!

Bring in any loose parts that you don't use at home, and we will repurpose them in our classrooms!

### Some examples of loose parts are:

Bottle caps, buttons, beads, pvc piping, poker chips, paint sample cards, corks, bread clips, yogurt drink containers, used gift cards, game cards, purses, corianders, picture frames, old phones, cds, key boards, remotes, garden or plumbing hoses, empty spice jars, curtain rings, game pieces, etc!

**Help us encourage the children's creativity by bringing in loose parts July 14-17th.**

Drop off will be located in the main hallway!

### Check it out!

Our local heroes are coming for a visit July 8<sup>th</sup>! Make sure to have your children here before 9am to have a chance to see a firetruck up close!
